Number 22

Thursday, April 3, 2014

The House was called to order by the Speaker at 11:00 a.m.

## Prayer

The following prayer was offered by the Reverend Greg James of Life Church International of Tallahassee, upon invitation of Rep. A. Williams:

Let us pray. Eternal God, out of whose love and absolute power and infinite wisdom, who the whole universe was formed by, we thank You today for this great state of Florida. We thank You for these, Your servant leaders, who are assembled by the power You have entrusted. I thank You today, God, that we give them Your authority and power to govern this great state. Bless this state, God, through the service that they render. God, I thank You now that the man I saw today on my ride to the Capitol holding a sign saying unemployment because he reminds us that unemployment in Florida is still an issue. I give thanks for the ex-offender recently released from prison who cannot be counted in the voting box—reminds us of the basic rights that are guaranteed to all Americans. God, we thank You for the elderly who rest in nursing facilities because they remind us of our need for continued Medicaid and Medicare coverage. Thank You today for the child that I spoke to earlier who told me of his college dreams that remind us that we must never reduce our education budget. We thank You, God, that You've caused these to become our consciousness.

And then, God, we said thank You for kings and those in authority as these leaders throughout the state. Thank You for these men and women who stand on the shoulders of our forefathers, who have accepted the call as servant leaders, who have committed to seek that which is noble, high, and good. Help them in this moment of difficult decisions to use wisdom of You. Act in obedience to that wisdom—we call forth Your power to flow in their lives. And I pray that these, Your leaders, God, will make decisions that seek to redeem Florida. Today, I thank You for Your kingdom of righteousness being manifested in the heart of those who are in authority here. That we may love our neighbors as we love ourselves. And cause all of us to live together as brothers and sisters and respect the dignity and worth of every citizen in the state of Florida. Amen.

#### Disclosures of Interest

As Chair of the House Appropriations Committee, I have helped craft the allocations for the House Budget which contemplate statewide funding levels for K-12 public education and higher education. Further, in my role as Chair, I will be involved in crafting, and I will vote on, the House General Appropriations Act (GAA). Further still, I will play a leadership role in assisting the House in negotiations with the Senate later in session to craft joint budget allocations and negotiate a Conference Report on the GAA to be voted on by both bodies, including me. All of these processes involve discussions surrounding budgeting for statewide spending on K-12 and Higher Education.

I serve in a volunteer capacity on the governing board of a charter school system in my district. My sister is employed by one of the State's SUS universities, The Florida Polytechnic in Lakeland. None of the referenced activities of my legislative service will result in policy or appropriations inuring to my own personal gain in any way. Thus, the rules of the House do not require this disclosure. But, out of an abundance of caution I felt it necessary to disclose the aforementioned. Many thanks.

*Seth McKeel*  
District 40

In an abundance of caution, I wish to advise you, the Members of the Florida House of Representatives and the public that I am employed by Take Stock in Children. However, my salary is not paid from funds provided by the State of Florida to Take Stock in Children. The General Appropriations Act ("GAA") or other legislation may contain a line item or other funding for Take Stock in children.

I am advised that I am required to vote on the GAA or other legislation.
